

MODULE M6015024 x 3

Description:

4 x Metal supports (150x20cm) + 21 x Metal shelves (60x24cm).

Weight: ~ 32,5 kg

Shipping: 3 x Parcels (2 x Par. 10-15 kg + 1 x Par. 5-10 kg)

Finishes:

You can choose and combine colors, according to your needs, from the chart at the end of our brochure.

Installation:

Two general wall fixings (plugs Ø 6 mm + L screws) for each support. Simply hang the support to the installed fixings. In order to find out the maximum weight per fixing, we recommend Fischer catalog ue of plugs and maximum supporting weights, according to the wall material and type of plug.

Shelves are delivered with small connectors. Once supports are installed to the wall, hang connectors to the desired height and simply put down the shelf, fitting it into the connectors.
